

Public Notice

As required by Knox County Air Quality Management Regulation Section 25.1-E, the Knox County Department of Air Quality Management is providing the public the opportunity to submit written comments on the proposed construction and/or modification of air contaminant source(s) as noted below.

West Knox Utility District has applied to construct a 2253 hp diesel fired emergency engine at the Wastewater Lift Station located at 8894 Cross Park Drive, Knoxville, TN 37923. Questions concerning the source(s) may be addressed to David Colvin at (865) 215-5900 or by e-mail at dcolvin@aqm.co.knox.tn.us.

To be considered, written comments must be received no later than September 20, 2018 and be submitted using one of the following methods:

1. **Mail, private carrier, or hand delivery:** Address written comments to Knox County Department of Air Quality Management, 140 Dameron Avenue, Knoxville, TN 37917
2. **E-mail:** Submit electronic comments to aqm@aqm.co.knox.tn.us.

For further information please call (865) 215-5900.
