## Mayor Jacobs Talks Read Across America, Growth Policy Plan and More

*KNOXVILLE, Tenn.*— During his Weekly Update, which posts around 2 p.m., Knox County Mayor Glenn Jacobs talks about Read Across America, election day, and the Growth Policy Plan.

In addition, Mayor Jacobs touches on a number of other issues.

"I was also invited to a screening of Unturning Steel, a documentary film that follows Bill Leahy, a retired US Army officer, as he works to provide service members with a path forward after returning home through careers in manufacturing," Mayor Jacobs says. "Bill is working with the University of Tennessee's Reliability and Maintainability Center to help veterans get the training and support they need to be successful in both their personal and professional lives."
